THE TUG-OF-WAR.

Yesterday afternoon the last nail was driven in the platform for the tug-of-war and the rope is lying on it looking strong enough to hold anything that comes along, and everything is in readiness for the teams to practice.

It was amusing and interesting to see teams of juveniles pitting their strength against each other last evening and trying to best the rope, but the rope was "in it" and came to time looking as though nothing had happened, while the juveniles were slightly winded.

The contest will commence on Saturday night the 19th, instead of Monday the 21st, and the Quintet Club has been engaged to furnish music throughout the tournament.

CURIOSITIES OF ADVERTISING.

The Temple of Fashion has a whole museum of automatic performers—a Jack-in-the-box, a Japanese juggler, see-sawers, a fiddler, a hanging dancer, etc.

E. O. Hall & Son stick to their old reliable calendar with Hawaiian dollar design, out as usual in good season.

Thee. H. Davies & Co. present their friends with a beautiful calendar—the "Art Gem." It has an attachment for making it stand on the desk. The calendar tablet is suspended on an embossed board, which is adorned with bells and flowers, by a silk cord with a core of gilt wire, fastened with silver rivets and baby-blue ribbon bow-knot.

SOUNDINGS.

Report of Captain Hughes-Hallett on the Alcedo School-water off Barber Point.

On Tuesday the 8th December off Barber Point the first soundings struck were 68 fathoms s. sh. with lighthouse N. 314 W. 34 miles. I then proceeded slowly towards the reported danger and when lighthouse bore N. 41 W. 24 miles obtained 16 fathoms by hand lead and Thompson's, coral; and this depth (15 to 16 fathoms) was found to continue some little distance towards Diamond Head. As the ship drifted to the southward the soundings deepened to 22 fathoms and then no bottom with hand lead—Thompson's giving 41—Lighthouse N. 44 W. 24 miles.

The weather was very unfavorable, so thick that points of land were not to be distinguished, and a strong breeze with a good deal of sea rendered anchoring out of the question and boat work impossible.

There is no doubt that the coral bank extends further from the shore than is supposed, and I believe is of live coral, so that there may be some coral heads standing up. In any case it is not advisable to keep the land close aboard, but the point should be given a wide berth, as there was no sign of broken water to act as a guide.

N. HUGHES-HALLETT, Captain U. S. S. "Garnet." December 8, 1891.

EVENING EXHIBITION.

The Christmas holidays always have their forerunners in the shape of night attractions at the different stores. Of late years our merchants have added largely to their stock of fancy things so that, when lighted, the stores put on the appearance of "wonderland."

The exceptionally fine stock of novelties gathered together by the Hawaiian Hardware Company has made their store the center of attraction for sight-seers during the day, and to accommodate those whose duties prevent a day visit they have decided to keep their store open on Saturday until 9 p.m. Last Saturday night the store was crowded with admirers of the beautiful things they show.

EVENING SALE.

To-morrow, Saturday, Mr. L. J. Levey will hold the first Christmas sale of the season at his spacious saleroom at 7 o'clock.

The goods to be offered comprise the choicest selections of the latest Japanese novelties and being the first sale of the season will undoubtedly attract a large audience.

Amongst some of the goods to be sold are China tea sets, cups and saucers, cabinets, silk handkerchiefs, tables, fans, etc. Also, a choice collection of fine rugs, toys and dolls. All will be sold without reserve. Special accommodation for the ladies.

ARE YOUR CHILDREN SUBJECT TO CROUP.

As a preventive and cure for croup, Chamberlain's Cough Remedy has no rival. It is, in fact, the only remedy that can always be depended upon and that is pleasant and safe to take. There is not the least danger in giving it to children, as it contains no injurious substance. For sale at 50 cents per bottle by all dealers. Benson, Smith & Co., agents.

"German Syrup"

A Farmer at Edom, Texas, Says:

"We are six in family. We live in a place where we are subject to violent Colds and Lung Troubles. I have used German Syrup for six years successfully for Sore Throat, Cough, Cold, Hoarseness, Pains in the Chest and Lungs, and spitting-up of Blood. I have tried many different kinds of cough Syrups in my time, but let me say to anyone wanting such a medicine—German Syrup is the best. That has been my experience. If you use it once, you will go back to it whenever you need it. It gives total relief and is a quick cure. My advice to everyone suffering with Lung Troubles—Try it. You will soon be convinced. In all the families where your German Syrup is used we have no trouble with the Lungs at all. It is the medicine for this country." G. G. GREEN, Sole Man'fr, Woodbury, N.J.

H. F. Wichman,

Fort Street.

At this season of the year the question naturally arises in one's mind—What shall I give father and mother, sister and brother; and oh, yes, I must give so and so a present, and I almost forgot so and so who has been so kind to me during the past year; and then I must send away something to my friends in my old home. Dear me—What shall it be? Wont some one help me out of my dilemma? Why, of course we will. If you will only take the trouble to step inside, we'll show you so many new and useful articles, that you will wonder you ever were perplexed about it. I adhere closely to goods that are in my line of trade, but as you well know there are thousands upon thousands of articles in that line.

I have ready for this season little POCKET LOCKETS made of a Hawaiian dollar. To all appearances it is a dollar intact; but by pressing with your thumbnail in a certain spot, up flies the cover and there before you is—well, whatever you see fit to put there. They are splendid to send away with your photo inside, and then they are Hawaiian too, and you are always looking for something particularly Hawaiian. In all other goods I am showing a very complete line; particularly so of fine Diamond Jewelry, and Solid Gold Watches.
